May 30th ~ Monday Morning Minutes:

R. L. Deppmann Company is now the new Michigan Representative for Lawler Manufacturing, Tunstall & Macon Controls

Lawler Manufacturing

Company manufactures one of the deepest and most time-tested thermostatic mixing valve lines in North America.

The company's sole focus is the safe and comfortable blending of hot and cold water to meet the needs of the industrial plumbing industry and its customers.

Tunstall specializes in the

manufacturing of interior thermostatic elements for steam traps using state of the art technology.
