

**NOW,  
ALL YOU NEED  
IS ONE**

**B&G solves for simplicity with one pump that replaces 70.**

Make the most of your truck space with the all-new Bell & Gossett ecocirc® 20-18 and ecocirc+ 20-18 variable speed ECM smart circulator. It's the only pump you need for multiple jobs. Designed for quick setup and reliable performance, both models can improve customer satisfaction by reducing installation time and callbacks. You'll also experience an uptick in efficiency by limiting the need to order and pick up other pumps. So travel lighter, smarter and less often with this versatile heating, cooling and potable water solution from Bell & Gossett.
